PROFESSIONAL SUMMARY

Content marketing professional with hands-on experience across email marketing, social content, audience research, SEO writing, and business development. Built a seven-day onboarding email sequence at VOXA, produced campaign content in sprint-based teams, and delivered research that informed pitches and partnership proposals. Brings an accounting background, strong attention to detail, and a practical focus on content that clarifies value and moves audiences to act.

CORE MARKETING SKILLS

Content strategy · Copywriting · Email marketing · SEO writing · Audience and competitor research · Campaign coordination · Lead generation · Social content · Proposal development · Conversion-focused landing pages

Tools: Canva · Trello · Google Workspace · Microsoft Office · Systeme.io · Google Keyword Planner · SEMrush · Apollo · ChatGPT

PROFESSIONAL EXPERIENCE

Marketing Strategist - JEKO Design Studio | Aug 2026-Present

Freelance · Remote · Nigeria

- Develop and implement marketing strategies that strengthen brand positioning, improve visibility, and support business growth across digital and professional channels.
- Translate business goals into audience-focused messaging, campaign direction, and engagement initiatives.

Marketing Associate - VOXA | Apr 2026-Jun 2026

Internship · Remote · United Kingdom

- Executed email marketing and LinkedIn/social content across sprint-based campaigns, coordinating with design and product teams to meet launch deadlines.
- Rebuilt a seven-day onboarding email sequence, rewriting user-journey messaging to reduce friction and create a clearer new-user experience.
- Managed assigned work in Trello and delivered campaign tasks within project timelines.

Research & Business Development Executive - Universal Television & Media Ltd | Oct 2025-Feb 2026

Contract · Remote · United Kingdom

- Delivered market, audience, and competitor research that informed marketing strategy and business development pitches.
- Co-authored client-facing proposals and pitch decks, strengthening the research and messaging used in partnership discussions.

SELECTED MARKETING PROJECTS

Content Marketing Lead-Generation Funnel - Capstone Project | Jun 2026

- Designed and launched a landing page and downloadable starter guide for small-business owners, applying audience research, copywriting, lead-magnet design, funnel structure, and conversion-rate optimisation principles.

[View landing page](#) | [View lead magnet](#)

SEO & Thought-Leadership Writing - Medium | 2026

- Published audience-focused articles on content marketing, SEO writing, personal branding, career development, and personal growth, using keyword research and search-intent principles where relevant.

EDUCATION & LEADERSHIP

BSc Accounting - Second Class Honours (Upper Division) - Caleb University, Lagos | Nov 2020-Aug 2024

- Financial Secretary, Professional Accounting Students Association (CUPASA), May 2023-Apr 2024: maintained financial records and budget tracking for the 16-member association and supported transparent financial decision-making.
- Final-year research: Creative Accounting Practices on Shareholders' Wealth.
